

Whatever the conditions, we've got you covered.

Itek Smart Module, 72 and 60 Cell
Solar. Smarter.

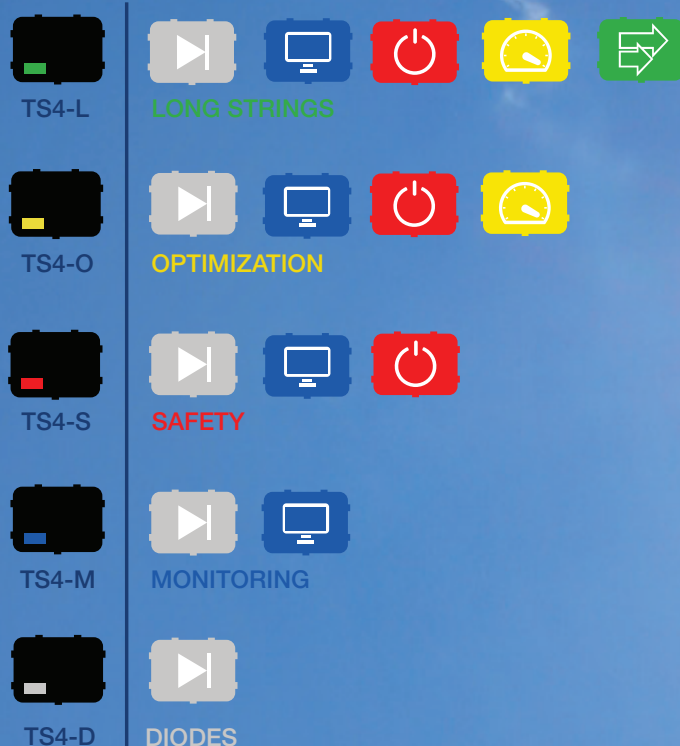

Connect with us: www.itekenergy.com | info@itekenergy.com

ASSEMBLED IN U.S.A.

Outsmart solar challenges with the Itek Smart Module.

Tigo®

Options include rapid shutdown, optimization, and long strings.
All options include monitoring.

- Maximizes energy harvest
- Saves installation time and costs with factory installed rapid shutdown and optimization functions
- Enables selective deployment of j-box functions
- Module level monitoring reducing truck rolls
